

SECTION 100.60

VALVE OPERATION

OPERATING MAIN LINE WATER VALVES WITHIN CENTERVILLE CSD

1. The actual operation of the District's main line valves will be made by District employees only.
2. The District will assist Contractors with information on customer locations for the areas of shutdown.
3. The Contractor will be required to notify the District at least two (2) working days in advance of a shutdown. The District will notify its customers.
4. Shutdown shall last no longer than 4 hours.
5. To schedule the shutdown or operation of the system valves, the Contractor shall contact the District at 530-246-0680.
6. The District Inspector will coordinate the shutdown.
7. In case of an emergency:
 - You may contact the District Office or the On-Call Staff 24/7 at 530-246-0680.
