* Please note that all on-line payments are charged a transaction fee of \$3.00 or 3% (whichever is greater) by the payment processor for the third-party transaction.

Simply go to our website www.centervillecsd.org and click the large green **Bill Payment** button in the right hand corner of the screen. You can either request to go paperless through the web-portal once you register your account, contact the District Office by phone or email, or simply check the yes box on monthly water bill paystub and write in your email address.

The District also offers ACH Payments, as well as, Budget Payment Plans. Please contact the District Office for additional information.

How to Dispose of Your Christmas Tree

Waste Management will be picking up Christmas Trees in January. Please visit their website www.wm.com for additional information regarding dates of pick up and instructions for disposal. Make sure to remove all stands, lights, decorations and tinsel before placing your tree curbside.

Don't worry if you miss the collection period, you can always cut-up the tree and place it in your green (yard waste) container for pick-up on your regularly scheduled service day where available.

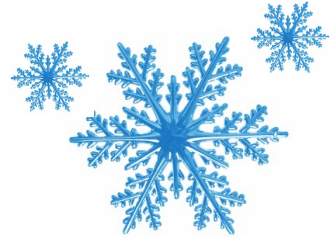

**AVOID
FROZEN
PIPES!**

If you haven't already done so....

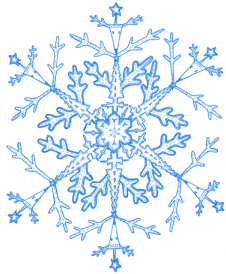

Its that time of year to wrap all of your exposed water lines with insulation or heating tape (including hose bibs, pressure regulators, etc.). We also encourage you to locate your water meter and determine whether or not you have an individual shut-off valve (gate valve) just behind your meter box. This could save valuable time and damage to your personal property should your pipes freeze and break.
