Board of Directors - Annual Reorganization

The Board of Directors voted in a new slate of officers for the 2022 calendar year. Starting January 1, 2022, Director Mark Oliver will serve as President of the Board and Director Larry Whitehead will serve as the Vice President.

President Oliver will announce the 2022 Standing Committees at the January 2022 Board Meeting.

Bureau of Reclamation Mid-Pacific Region Water User's Conference January 19-22, 2022, Reno, Nevada

Director's Richison and Hopson as well as District Manager Chris Muehlbacher will attend the Mid-Pacific Region Water Users Conference. The Annual Conference is attended by Managers, Directors, Consultants and Government Agency Representatives from Districts served by the U.S. Bureau of Reclamation (USBR) facilities in California, Nevada and Oregon. It is a great opportunity to discuss USBR operations, contractor issues, and other concerns and items of interest. The Bureau will also provide a status report on reservoir levels, inflow and discharge measurements and the Initial Water Supply Outlook for the 2022 water year.

January Board Meeting Rescheduled

With the Water User's Conference being held January 19th, the Board of Directors unanimously voted to move the January meeting to January 26th, at 7 pm. This meeting will be held in person as well as on Zoom. See agenda for details, once posted.
