Thank You Director Newman

The Board of Directors and all of us at Centerville CSD would like to thank Director Don Newman for his years of service to this community and to many others through times of disaster.

Director Newman served on the Volunteer Fire Department from 1995 to 2013; serving as Fire Chief for many of those years. He became a Director of the Centerville CSD in 2009 and has served the District for 9 years sitting on the Finance Committee, the Personnel Committee and the Public Information Committee, as well as the Centerville Education Foundation with Grant School. Throughout the years, Director Newman has helped with the disaster relief from several hurricanes, leaving his family for months at a time.

Director Newman your heart for humanity and your willingness to serve where ever you are needed is an inspiration to us all. You will be greatly missed by all of us here at Centerville CSD. Thank you for all you have done both here at home and to those across America who needed your help.

Welcome Director Mark Oliver

Congratulations and Thank You for your service!

Donations can be dropped off at the District office Monday through Friday from 8 am to noon and 1 pm to 5 pm from November 1st thru December 14th. Thank you for helping us spread the warmth!
