Tina Teuscher

District Pays Off 1995-1 Loan

In 1995 the District made many improvements to the District's distribution and water treatment systems. Assessment District 1995-1 was formed and financed with limited obligation improvement bonds under the California Improvement Bond act of 1915. The original loan amount was a little over \$2,000,000 with semi-annual payments of approximately \$53,000 each. An assessment was placed on the tax rolls to cover the cost of the loan.

Throughout the years, additional funds have been received which permitted bond call payments to be made early. By making the early bond call payments the District was able to pay off the 1995-1 loan this month. Moving forward there will no longer be a 1995-1 Assessment on District customer's property taxes. This loan was paid off five years ahead of schedule!

Clearing of Brush and Vegetation

Please continue to clear brush from your property in managing and maintaining your defensible space.

Please call the Burn Day Hotline at 530-224-8777 to confirm burn status. Burn permits can be obtained online at <https://burnpermit.fire.ca.gov>.

Rain, Rain...Please Stay!

Although we are all jumping for joy as we watch the wondrous rain fall from the sky, please remember to slow down and turn your headlights on. The roads are slick and in some cases flooded.

Now is the time to check your tires and windshield wipers. It will only get colder as we move into winter.

Let's rejoice and be safe!
