### District Receives a \$10K Grant for An Emergency Office Generator:

The District happily announces the installation of an emergency office generator. This generator was purchased using a \$10,000 JPIA Risk Control Grant which was awarded to only five water suppliers in the State of California. This generator helps staff continue to provide a safe and reliable water supply to our customers during power outages.

### Secluded Valley Pipeline Easement Clearing Project:

The District recently awarded a cross country pipeline clearing project to Dragon Demolition. The project will begin soon and is located northeast of Secluded Valley Drive. FEMA funding will offset a significant portion of the overall costs.

**Grant School:** Just a reminder that school has resumed classes and school buses are operating. Please watch for children and stopped busses during your daily drive.

**Go Green** and help the environment and the District by choosing to receive your monthly bill and newsletter via e-mail. Not only will you receive your bill quicker, there will no longer be a threat of your bill being lost or stolen. You can either request to go paperless at the District website, [www.centervillecsd.org](http://www.centervillecsd.org), once you register your account or you can contact the District Office by phone at (530) 246-0680 or email [tteuscher@centervillecsd.com](mailto:tteuscher@centervillecsd.com).

**Automatic Payments (ACH):** This is the worry free way to pay your water bill. With this service, you will continue to receive a monthly water bill (whether mailed or a paperless E-Bill); however, the amount due will be automatically deducted from your bank account. There is no set-up fee or charge associated with this payment method. To set up an Automatic Bank Draft, you can complete the ACH Auto-Pay Application form located on our webpage and return it to the District Office with a voided check or stop by the District Office and fill out the form.

## Beauty By The Glass

Redding and the surrounding areas are becoming more and more popular with wine lovers! Shasta County is home to diverse grape varietals of exceptional quality due to veiled micro-climates and the unique terroir in its foothills. These thriving vines, combined with determined winemakers, make for award-winning wines and beautiful afternoons spent enjoying unparalleled views. Whether you want a pairing recommendation with your meal, a weekend day trip for some tasting, or just a glass with a few friends, Redding and its neighbors have it by the glassful.

Redding also celebrates its wine lovers with events like the annual Beer and Wine Festival, Taste of Redding, and many more! If you are strolling the Sundial Bridge or paddling the Sacramento, a great glass of wine is the perfect way to close out a fun day. Cheers! For info on Redding area wineries on the go, download the **UpStateCA Wine & Beer** app .

### DUE TO COVID 19 - BOARD MEETINGS

WILL BE HELD VIA WEB CONFERENCING

UNTIL FURTHER NOTICE

SEE THE DISTRICT'S WEBSITE FOR DETAILS

#### SCHEDULED BOARD MEETINGS:

The next scheduled Board of Director's Meeting will be held **Wednesday, September 16th at 7:00 pm.** Details will be posted on the agenda.

**The public is always welcome.**

### **COVID-19 GUIDELINES FOR RE-OPENING THE DISTRICT OFFICE TO THE PUBLIC**

To comply with Governor Newsom's social-distancing guidelines and to keep our community safe and healthy, the District has implemented the following requirements while the Office Lobby is open to the public:

1. Only 1 customer in the office lobby at a time.
2. The use of hand sanitizer is encouraged.
3. The lobby area will be sanitized between customers. Please be patient while we sanitize the area for your benefit.

Thank you for your patience as we all navigate these new

Please Stay Safe and Healthy!

### *Average Water Usage*

Compare the usage on your water bill with the average of the District.

August's Average: 8,300 cubic - feet.
